NOTICE

Plaintiff files this Notice concerning the upcoming hearing on the Emergency Petition for Injunctive Relief, currently scheduled for Friday, November 1, 2024, at 10:00 am. We write concerning two matters.

1. We request that the Court enhance its security surrounding the hearing. Enhanced security is possible either at City Hall or at the Juanita Kidd Stout Center for Criminal Justice (CJC), which is more fully staffed with sheriffs than City Hall. The same day this Complaint was filed, Elon Musk posted to his 202.7 million followers on X, the social-media website he owns, his agreement with an attack on the integrity of the Court the statement that Larry Krasner “knows it’s not illegal but wants a leftist judge to stop it before Election Day.” Exhibit 1 at 1, 10/28/24 tweet. That retweet now has 8.9 million views. *Id.* It immediately triggered an avalanche of posts from Musk’s followers. Many made antisemitic attacks on Krasner. *See, e.g.*, Exhibit 1 at 2 (“Krasner and Soros,

both Jewish, both corrupt goons.”); Exhibit 1 at 3 (“Shapiro PA Governor / Krasner Philly DA / soros money machinations / what’s the Jewish population of Pennsylvania? Weird how they end up in every position of consequence every single time.”) (All attached as Exhibit 1). Even worse, one account responded to posts about the lawsuit at least 19 times by inviting political violence, posting Krasner family’s home address, including numerous posts also stating, “Krasner loves visitors. Mask up and leave all cellphones at home.” (Attached as Exhibit 2.) The directives to “mask up” and to “leave all cellphones at home” are to prevent identification of illegal actors by video, by eyewitnesses, and by cellphone geolocation. Exhibit 2 at 1. These posts, which unquestionably are criminal, *see* 18 Pa. C.S. § 2719, and remain posted on Musk’s X website today.

DA Krasner is charged with the responsibility to protect the voting rights and safety of all citizens of Philadelphia, including assuring a free and fair election.

2. The Order scheduling this matter for a Hearing requires attendance of all of the parties, i.e., DA Krasner, a representative of America PAC and Mr. Musk. Attached are Notices to Attends to the Treasurer of the America PAC and Mr. Musk. (Attached as Exhibits 3 and 4).

Philadelphia's Democrat DA Larry Krasner is suing to stop @elonmusk's @america PAC from giving a \$1M daily gift to someone who signs their petition. George Soros spent \$1.7M to get Larry elected. He knows it's not illegal but wants a leftist judge to stop it before Election Day.
